

## Emergency Funding During The Outbreak

If you are in need of emergency business funding to cope with the impact of the novel coronavirus outbreak, there are some measures available from the Government, and there are alternatives if you don't qualify, get declined or need funding more quickly.

### [SEE THE OPTIONS](#)

Below we have a selection of articles about how we have been busy helping find finance for those companies that have received large orders in preparation for the virus outbreak, and those that have had to seek alternative suppliers.

For a free, independent business finance quotation search **please contact us**.

With kind regards,

### Funding Big Orders

Concern about the novel coronavirus outbreak has resulted in the UK Government making preparations, and developing stockpiles of supplies, in case there is a rapid increase in the number of cases across the UK.

This has resulted in significant large orders being placed with some suppliers in order to prepare. These can present cash flow issues

## Funding Alternative Suppliers

We had an interesting conversation recently with an existing client who have identified a different problem relating to the novel coronavirus outbreak.

This particular issue was with a supply chain that involved a supplier in China . . .

## Funding Growth By Acquisition

We have just helped an existing client complete his second company acquisition within his sector, aided by using a factoring facility.

He was able to purchase a company twice the size of his previous acquisition, resulting in a dramatic increase in the volume of turnover that his will achieve over the course of the next year . . .
